

A Mission Given by God.

Inspired by one incredible faith.

Those who knew Mick Bernard knew he had the faith of a giant. Out of a love for Jesus Christ and that inspired faith, the **Legacy of Faith Foundation** was formed. Challenged to answer the call of James 1:27, "to look after orphans and widows in their time of need," the foundation's mission is to provide help and healing for widows and orphans in our community following the devastating loss of a loved one. Whether it's help with tuition to complete a Christian education or help putting the next meal on the table, we're here to assist those families in their time of need. **To learn how you can help, or to suggest someone who may need help, call or visit our website today.**

help and healing through Him™
JAMES 1:27

Legacy of Faith
